

GEOGRAPHY

Map and atlas work

- Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.
- Use the eight points of a compass four-and six-grid references, symbols and key to build their knowledge of the United Kingdom and the wider world.
- Human Themes
- Understand key aspects of human geography including economic activity and trade links, and the distribution of natural resources
- Fieldwork and Investigation
- Use a range of methods including sketch maps, plans and graphs and digital technologies.
- Use fieldwork to observe, measure, record and present the human and physical features in the area.
 - The world and continents- Locate the world's countries, using maps to focus on Europe, NA and SA.
- Identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circles, the Prime /Greenwich Meridian and time zones (including day & night)
