

## GEOGRAPHY

- Learn and use the eight points of a compass, six-figure grid references (Links with maths), symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world
- **'Help! I'm a coastal resident, get me out of here!'**
- Why are our beaches disappearing, what is the impact and what can we do about it?
- Identify the position and significance of latitude, longitude, the Prime/Greenwich Meridian and time zones (including day and night)
- On a world map locate the main countries in Africa, Asia and Australasia/Oceania. Identify their main environmental regions, key physical and human characteristics and major cities.
- Study some of the current issues around the natural resources:  
Energy, Food, Minerals, Water – Sanitation (With a focus on countries within Africa)
- Africa
- Deepen an understanding of the interaction between physical and human processes.
