

ART

- Encourage accurate drawings of whole people, building on work of facial features, with a focus on proportion
- Use tones and a variety of techniques.
- Introduce the concept of perspective
- Research and evaluate pattern pieces

D&T

- Junk modelling
- Relating to playground environment issues raised with local council
- Plan and create a safe and suitable playground design for the local area.
 - Key questions:
 - What sustainable materials would they use for this project?
 - How can you make it a safe environment for mixed ages?
 - Why did you choose these ideas? (relates to choice reading skill)
