

GEOGRAPHY

Local enquiry – Should Gapton Hall be put on a bus route?

- Use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies
- Collect, analyse and communicate geographical information in a variety of ways, including through maps, numerical and quantitative skills and writing at length
- Use and interpret a range of sources of geographical information, including maps and Geographical Information Systems (GIS) and digital/computer mapping (Google Earth & Digimaps)
- Learn and use the eight points of a compass, four-figure grid references, symbols and keys to build their knowledge of the United Kingdom and the wider world
