

EWOA Enrichment Plan for Remote Learners

At Edward Worlledge we believe that enrichment is a vital part of school life.

We are not able to offer the clubs and activities we would usually, so here in this booklet please find our Lockdown enrichment offer.

We would love it if every student could do at least one activity per week.

We believe that Enrichment offers the opportunity to build confidence, self-esteem and enhance life skills.

Prizes will be on offer for the best entries received. Please send pictures, entries back to enrichment@ewoa.co.uk. You can send as many pictures photos pieces of evidence as you like. Make sure you write which challenge it was for and your name on each piece
